League Recommendations

The League recommends that everyone attending any of the league galas, whether that be face-to-face or a virtual gala takes a Lateral Flow Test within 48 hours before the gala. That includes all athletes, coaches, team staff, officials, helpers and spectators. Everyone is responsible for their own safety and everyone else's safety. If the Lateral Flow Test shows positive you should not attend the event. See below for details on wearing face masks. Stay safe.

Pool Venue Restrictions

In these "Post" Covid times each pool is subject to certain restrictions and we have to abide by these in order to be able to deliver the programme. It has been very difficult to source suitable pools to the extent that we have only just finalise the pools and their limitations. In all pools it would be appreciated if everyone (including swimmers) planned to be wearing a face covering. Each team should group together in a bubble on poolside. Details for each pool are given below:-
